## The Canadian Pacific Holiday Train rolls through the River Route

*Stops occur Dec. 10 - 14*

For the 15<sup>th</sup> year, the Canadian Pacific (CP) Holiday Train will visit towns along the River Route, future home of Minnesota High Speed Rail. Two brightly decorated trains represent CP's 2013 Holiday Train program running from November 25 through December 19 across the United States and Canada. The Holiday Train raises funds for North American food shelves. Since 1999, it has raised about \$7.4 million and about 3 million pounds of food.

This year, pop and country star Sheryl Crow will headline a special CP Holiday Train concert in Cottage Grove, one of only three stops across North America where Canadian Pacific has added additional star-power to help shine a spotlight on the railway's mission of raising food, money and awareness in the fight against hunger. Crow will be joined by award winning a capella group Take 6 for the free concert at 5 p.m. on December 14, 2013. Parking is limited and shuttle service is required. See the City of Cottage Grove's website for information: [www.cottage-grove.org](http://www.cottage-grove.org).
